- In claim 3, after the phrase "The method of claim 1," please delete:

"wherein the defective pixel address stored in the memory element is in a format consisting of a row address and a column address of the image sensor",

-- wherein the memory element is a fuse array --.

- In line 11 of claim 5, please delete the word:

"pxiel"

and replace it with the word:

-- pixel --.

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

3. Claims 1-9 are allowed.

Art Unit: 2612

4. The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 5, the primary reason for allowance is that the prior art fails to teach or reasonably suggest comparing the defective pixel address with an empty signature if the sensor address is not equal to the defective pixel address and then increasing the index value by one unit if the defective pixel address is equal to the empty signature.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John M. Villecco whose telephone number is (571) 272-7319. The examiner can normally be reached on Monday-Friday.
